

Math rendering candidates -- for sign-off

A1: DejaVu, jitter=0 (baseline, no sketch)

$$x^2 + y^2 \equiv r^2$$

$$\alpha + \beta = \gamma$$

$$\frac{a+b}{c}$$

$$\sum_{i=1}^n i = \frac{n(n+1)}{2}$$

$$\sqrt{2} \approx 1.414$$

Math rendering candidates -- for sign-off

A2: DeJaVu, light jitter

Math rendering candidates -- for sign-off

A3: *DejaVu*, heavy jitter

Math rendering candidates -- for sign-off

B1: Caveat font, jitter=0

$$x^2 + y^2 = r^2$$

$$\alpha + \beta = \gamma$$

$$\frac{a+b}{c}$$

$$\sum_{i=1}^n i = \frac{n(n+1)}{2}$$

$$\sqrt{2} \approx 1.414$$

Math rendering candidates -- for sign-off

B2: Caveat font, light jitter

A line drawing of a seesaw. On the left side, there is a zigzag line representing a path or a series of steps. On the right side, there is a group of people sitting on the seesaw, with one person standing and looking down at them.

Math rendering candidates -- for sign-off

B3: Caveat font, heavy jitter
